Katie Murphy joins MOQ to advance stewardship as a way of life

Katie (Flaherty) Murphy joined the parish office staff in May as the director of stewardship, developmen and communications.

Katie, pictured at right with her husband Mark and daughters Bridget and Mary Kay, was born and raised in Omaha, grew up in Mary Our Queen parish and graduated from MOQ School in 1987. She went on to attend Duchesne Academy, Creighton University and the University of Nebraska College of Law. Katie practiced corporate law for 20 years, most recently with Husch Blackwell, LLP.

At MOQ she will be responsible for promoting the concept of stewardship as a way of life and will act as a communications director for the various ministries of the

A letter from the pastor

Dear Mary Our Queen Parishioners,

I want to welcome Katie Murphy as our new director of stewardship, development and communications. Katie will be working on stewardship and development projects for the parish and school along with communication of all the ministries happening at Mary Our Queen. I also want to welcome Tom Scott as our new maintenance person who replaces Tyler Steffen. He will be working with Bob Larson in our maintenance department. Finally, I want to welcome Angie Pensick as our parish secretary. She will be replacing Ariel Talacko who will be getting married in September and moving to Kansas City.

The Steering Committee for the parish five-year strategic plan has finished formulating the goals and actions plans. They are now working on the point person or group responsible for the various aspects of the plan, completion date for an action item and the means of measuring how an action plan has been completed. There are five major areas in the strategic plan - Community/Fellowship, Discipleship, Evangelization, Ministry and Worship.

We will be putting the results of the survey conducted for the parish strategic five-year plan on the MOQ Website. We will also put the results of the goals and action plans for the strategic five-year plan on the website so parishioners can see everything that the large group gathering and steering committee have been working on.

The Building and Maintenance Committee is busy this summer with various projects. The main project is replacement of the roof on the gym and school. Other projects the committee involve replacing the cafeteria door and the door on the northwest corner of the Parish Center, repairing asphalt on the parking lot, replacing the recessed lighting in the Trinity Rooms and Family Room and remodeling in the school for the pre-school.

Finally, during our discussions at the large group meeting and Steering Committee meetings for the strategic five-year plan, it was suggested that we look at discontinuing some of the weekend Masses. It is becoming more and more difficult to find priests who are available to help out, and for a number of years people have suggested this in our suggestion box. We plan on dropping the 7 p,m, Mass on Saturdays and the 12:30 p,m, Mass on Sundays beginning the weekend of July 29-30.

May the Lord be with you in all your daily activities,

Rev. Robert K. English

Guild elects, sets course for service and spirituality

The Ladies Guild's Circle members have been rounding out their year by visiting the Holy Family Shrine, making sandwiches for the homeless, hosting home Masses and donating needed items to Project Harmony, to name a few of their activities.

Several ladies also helped serve at a dinner that was held on April 23 in honor of the high school seniors who graduated this year, and who also were Mary Our Queen graduates four years ago. This event was put on in cooperation with several other Mary Our Queen organizations (see photo on Page 7)..

An appreciation dinner for those who have helped the Guild throughout the year took place on June 13 in the Trinity Rooms. A lovely catered meal was served with an array of appetizers, drinks and dessert.

Over 80 volunteers were present during the "Come Break Bread with Us" event. The current Co-Presidents Maureen Duff and Maria Moise made a donation to the Bethlehem House in lieu of gifts to their board. Also, the twelve bread boards and centerpieces were given away as prizes.

At this same event the 2017-2018 executive board was presented and approved. The new co-presidents are Deb Koch and Janelle Reeder, the co-presidents-elect are Lori Beiermann and Alice Burns,

Guild leaders for 2016-17 and 2017-18, front row, Angie Mills, Maria Moise, Maureen Duff. Janell Reader and Mary Leighton; back row, Lori Beiermann, Alice Burns and Deb Koch.

the treasurer is Angie Mills and the secretary is Mary Leighton. Congratulations to these ladies who have committed their time and talents in keeping the Ladies Guild organization running seamlessly throughout the transition.

Mark your calendar as the Guild will be holding future meetings on the same night of the month – the second Tuesday of every month at 7 p.m. in the Trinity Rooms.

All meetings are open to all ladies of the parish to come and mingle during a social time held after short discussions of upcoming events. Light snacks and refreshments will be served. If you have not been to a Guild meeting or just want to find out more, please plan on attending. Come and meet the current members at our next meeting on Aug. 8.

If you are interested in our smaller groups, we would love to introduce you to one of our six circles; and we are also in need of more members of our ARK Angels and Helping Hands. The larger the pool of volunteers the lighter the load is for everyone! If you find you are not able to attend the meetings, please email moqladiesguild@gmail.com and we will be happy to discuss a way you can still become involved with the Ladies Guild.

Golden Years event a hit in this family

One woman's love for the Ladies Guild's monthly lunch-and-bingo events was recognized in a gift and letter to the Golden Years program.

Antoinette Merwald, who died on her 103rd birthday in March, tried never to miss the lunches. She loved bingo and was thrilled when the Guild surprised her with a cake on her 100th birthday.

Her family sent its thanks to the Guild, adding that Mrs. Merwald's grandchildren put on a family bingo game in her honor. The game raised \$350, which was enclosed as a gift to the Golden Years program.

At the Mary Our Queen Knights of Columbus council awards banquet in May, Jack Donato, left, was honored as the Knight of the Year. The Dave and Pam Vermillion family, shown with Deputy Grand Knight Vince Vigneri, was named the Knights Family of the Year. Pat Dougherty, right, received a special plaque honoring his service to the Knights at the parish, district and state levels.

Knights' calendar features awards and service

Knights of Columbus Council 11700 wrapped up its fraternal year last month with elections and its annual awards dinner. About 90 members and guests attended.

Knights' projects continue year-round, including, in July, hosting a steak fry for seminarians of the Omaha Archdiocese and serving refreshments at the annual Archdiocesan Priests Appreciation dinner.

Projects as the fraternal year wound down included the sale of roses on Mother's Day, a benefit for Essential Pregnancy Services. A candy giveaway in June raised money for agencies providing services for people with developmental disabilities.

Officers elected or re-elected in June were Grand Knight Steve Olson, Deputy Grand Knight Vince Vigneri, Chancellor Tom Becker, Recorder Frank Partsch, Treasurer Tim Billesbach, Warden

John Mickeliunas, Advocate Tim Smith, Outside Guard Terry Vail, Inside Guard Gene Schlegel and 1st Year Trustee Pat Dougherty. George Klosterman was reappointed lecturer. Mike Gomez holds the appointed position of financial secretary. Trustees Kevin O'Hearn and Eron Welchans automatically advanced from first and second-year trustees, respectively, to second and third-year trustees.

The council received a bronze award for service at the state Knights convention in Kearney in April.

The Knights is a fraternal organization for Catholic men, founded originally to provide financial security to working families. It continues to offer insurance and other financial-management tools, plus many opportunities for friendship, service and spirituality. New members are welcome. For information, contact any of the officers.

MARQUEE 2017 counts its successes, looks ahead to 2018

The chairs of MARQUEE 2017, Rose and KC McCormick, hosted a Thank You dinner in May for the committee chairs and presented Father Bob a check for \$185,000. Included in this amount was the \$40,000 raised during the Raise the Paddle for the MOQ Preschool, which will open in the fall. Thank you to the all who attended for your support of MOQ!

Planning is underway for MARQUEE 2018. It will take place on Feb. 24 at the Embassy Suites La Vista Hotel and Conference Center. General chairs of the event are Missy and Mark Lindauer, Sarah and Kevin Moline and Katie and Mark Murphy. If you would like to help with the largest parish fundraiser, contact Sarah Moline at (402) 213-4669.

A side benefit of the planning has been the development of friendships among the children of past and current MARQUEE chairs, as the children often attend the events with their parents.

MARQUEE: The Next Generation. Roch Vigneri, Maggie Lindauer, Bridget Murphy, Mary Kate Murphy, Lily Lindauer, Addie Vigneri, Ethan Moline, Liam Moline, and Evie Lindauer.

RCIA program extends the hand of welcome in faith

The entire MOQ community rejoiced at the Easter Vigil Mass on April 15 as five individuals joined the Catholic Church. On that most holy night, after months of personal discernment, discussion and prayer, Sabrina Rowland, Tara Chin, Damiana Curtis, Paul Mignon and Ritchie Morrow came into full communion with the Church. Congratulations to them and best wishes as they continue their faith Journey.

Is Jesus calling you - or someone you know? Do you know someone who is questioning what it means to become Catholic? Or do you know someone who is baptized but has not yet received Communion or Confirmation? They may have questions as well. RCIA (Rite of Christian Initiation of Adults) is the place for those interested in becoming Catholic to ask questions and seek understanding.

Each September at MOQ women and men embark on exploration of the Catholic faith. Some are deciding if they are being called to the Catholic Church. Others have been baptized Catholic and are now interested in full sacramental participation including reception of Jesus in the Eucharist. Together we witness to

TNTs have had an active itinerary so far this year

MOQ's over-50 folks have had a busy several months. In January along with the Men's Club we hosted a Chili Cook-Off, with proceeds going to Fr. Gama to assist his fellow priests in Africa.

In February we had a pot luck luncheon and speaker, and in early Lent we presented Dick Corwine, who portrayed Pontius Pilate as he lamented his betrayal of Christ. In April we observed Boys Town's 100th anniversary with a pilgrimage, update on Fr. Flanagan's canonization process, Mass and lunch. And in May we celebrated Cinco de Mayo with Mass, dinner catered by Bob Hurtado and music provided by a seven-piece Mariachi band.

Our third EAT PRAY LOVE bus tour was June 15; we visited St. Benedict the Moor and Holy Name Churches and attended Mass at Sacred Heart. We also went to lunch at the iconic Nite Hawkes Café, where the owner gave us the history of the restaurant which has been in the family for four generations.

On June 21 we hosted a high tea, complete with elegant food provided by Mary Beals and tea from the Tea Smith.

the fact that our search for God is a lifelong journey - a journey on which we make the most progress when we walk it with others and with intention.

Inquiry sessions will begin again in late September. For more information about RCIA or to register or just ask questions, contact Deacon Steve Floersch at 402 670-9309 or email at sfloersch@gmail.com.

Kathy Welsh brought her extensive doll collection and spoke of the history of dolls throughout the centuries.

Members have been invited to attend a Moostash Joe Mystery tour in July. Plans are in progress for our annual membership drive in September, and other activities are in the early planning stages.

We would welcome all members to attend our planning meetings the first Monday of each month at 10:30 in the Trinity Rooms -- we are in need of new ideas! Our popular card and game day has expanded to every Friday at 12:30 in the St. Joseph room. New players are encouraged to join us.

We would like to acknowledge the MOQ Ambassadors. This is a group of sixth-to-eighth grade students who have trained to speak to groups and describe their school and faith experience. The TNTs were blessed to host them in February for their first public appearance. This is a group that would be an asset to any meeting or organization in the parish; we wish to thank them for sharing with us.

For MOQ School, affirmation in Omaha's Choice award

Thank you to everyone who voted for Mary Our Queen School in the second annual Omaha's Choice Award. Mary Our Queen School was selected as the winner in the K-8 Private School category. We are so proud of our students, teachers and families who bring Mary Our Queen School's school mission to life.

The Class of 2017 moves on up:

On May 23, the MOQ Class of 2017 celebrated their graduation from Mary Our Queen School. Friends and family gathered for Mass followed by the distribution of diplomas. Fr. English encouraged graduates to embrace the spiritual and academic lessons learned while attending MOQ and trust that they are well prepared for high school. Eighth grade student representative, Mary Clarie Daubendiek, spoke about the memories and friendships that she and her classmates made throughout their years at Mary Our Queen School. Congratulations to this talented group of young men and women. We look forward to witnessing their continued journey as they build upon the strong, loving foundation built at Mary Our Queen School.

Omaha Gives! generates support: Special thanks to everyone who supported Omaha Gives! on May 24. We were overwhelmed by the generous response to this charitable event and are very grateful for the donations that will support our school's mission. Donations to MOQ came from far and wide. We are blessed by our amazing parish and school communities. Special thanks to our student ambassadors, Kate Timmerman and Ryan Sully, Assistant Principal Petersen and Parish coordinator Renee Spicka, for all of their work to promote this event. Mark your calendar and plan your giving for next year's event scheduled for May 23, 2018.

The John Vianney partnership: Mary Our Queen School is continuing its partnership with St. John Vianney Parish to offer their families an opportunity to attend MOQ School at the in-parish tuition rate. SJV does not have its own school, and this partnership allows SJV parishioners a discounted Catholic school option. We are grateful to those who have worked to build this collaboration and opportunity.

The new MOQ Preschool: This fall Mary Our Queen School is excited to open a preschool. Special thanks to our school board and all who guided and supported this exciting addition. We now join the majority of Omaha Archdiocese schools in offering preschool as part of the school and parish mission. We are thrilled to report that our year one enrollment meets the goals set forth

in our planning process. The program will nurture each child's awareness of God's love and provide developmentally appropriate educational experiences. Our dedicated teachers will ignite a love of learning through hands-on, interactive and personalized instruction. Our focus is on the development of language and math literacy, scientific concepts, creative arts and faith-filled fun. The two-day, three-day and five-day programs offer a choice of morning or afternoon sessions. MOQ School is accepting applications for a limited number of seats available in preschool through 8th grade for the 2017-2018 school year. Contact the school office, 402-333-8663, or visit our Website at mogschool.org. Welcome Tuition Grants for students transferring from a public school are available in some grades.

Field Day 2017: The beautiful weather May 9 was the perfect stage for the school's annual field day. Students in grades K-6 started the day at the flagpole for prayer and pledge. Each class shared their class cheer. Spirits soared! Cheers were followed by a variety of activities stationed throughout our school campus. Face painting, water balloons, box roll, scooter relays and soccer were just a few of the games students enjoyed. Junior high students enjoyed their field day at Prairie Lane Park. They participated in a

friendly competition between the Houses that included giant Jenga, sack races, floor hockey, water relay, capture the flag, and a tug-of-war (photo at left). Special thanks to Mrs.

Temme, the Fuel Up to Play Committee, and Mr. Gatewood for organizing the activities. Thanks, also, to all of our parent volunteers.

Sending the grads off proudly

For alumni of MOQ School who graduated from high school this year, the Youth Ministry's Senior Mass and Dinner provided a chance to get together, reminisce and wish each other well. Gathered for a photo are, back row: Katie Kaipust, Grace Bolamperti, Sam Elkins, Emily Kleinschmit, Annika Zimmerman, Naomi Dang, Mary Copeland, Emily Vermillion, Emma Taylor, Alexis Krehbiel, Shannon Coe. Middle row: Aaron Sobetski, Jaxon Goss, Tanner, Glaser, Riley Schumacher, Matthew Gromowsky, Dan Thibodeau, Ryan Harrel, Andrew Hoffman, Grant Sobetski. Front: AJ Dominguez, Joey Poppleton, Ben Huerter.

Second-graders in Religious Ed and Day School receive First Communion

Seventy-eight second-grade Mary Our Queen School and Religious Education pupils received First Holy Communion on April 22-23. The beautiful weekend was a peaceful culmination of their preparation as the somewhat nervous and very excited students lined up to process into the church.

A special altar cloth, created by the students, illustrated their work to prepare for this sacrament. Each pew was marked with a banner created by the students for this occasion. During the Mass, Fr. English and Fr. Gama lit a candle held by each student to symbolize the light of Christ received at their baptism.

Legion of Mary offering enrollment in the Rosary Confraternity

The Rosary Confraternity of the Catholic Church is a spiritual association, the members of which strive to pray an entire rosary each week – all 15 decades (since the addition of the Luminous Mysteries all 20 decades are now encouraged).

At Mary Our Queen, sign-up is offered through the Legion of Mary. All are welcome; you need not be a member of the Legion of Mary; there are no dues. As a member you can earn indulgences, especially when praying on certain feast days.

Our curia spiritual director and former MOQ associate pastor, Fr. John Broheimer, encourages everyone to enroll. As a member you will share in the prayers of hundreds of thousands throughout the world who include the intentions of fellow members.

For information, call Linda Thomsen at 333-6167 or Connie Garza at 333-2168, or go to <http://www.rosary-center.org>. Leave enrollment forms in the adoration chapel until July 20 and we'll mail them. After that, the forms can be mailed in.

Catholic Daughters' projects provide rosaries, honor nuns

Recent activities by Catholic Daughters Court Mary Queen of Peace #2423 have included decorating the graves of Poor Clare sisters. Mary Wulf's husband Russell made wooden crucifixes and some of our members added flowers and ribbons to the 37 grave decorations that were placed at the Poor Clares' graves at Calvary Cemetery for Memorial Day.

The second Monday of each month at 6 p.m., there is a rosary making get-together in the St. Joseph room in the Parish Center. Barb Keuchel was asked to

make rosaries to send to Haiti, so Jane Davis and her family spread the word and provided many hands of all ages for the May rosary-making session. The large group of workers made the evening fun while working hard.

We will be making more rosaries for Father Gama to take to Tanzania in July. If you are interested in making rosaries with us, we would welcome young and old to join us.

Junior Catholic Daughters elect leaders, engage in service

The Junior Catholic Daughters have been very active in the past few months. In April, they assisted the adult CDA court with filling over 50 Spring/Easter bags for the Child Saving Institute for children in the foster care program. They created a video for the CDA State Convention. The Juniors' also held their first independent election of officers, electing Kelly Williams as Regent, Megan Williams as Vice Regent, Jenny Plum as Recording Secretary, Miranda Knofczynski as Treasurer and Christina Davis as Financial Secretary.

In May, they held a May crowning ceremony at their meeting and the newly elected officers were installed, with friends and families present. The outgoing officers were recognized for their service and leadership. The girls also brought baby shower items and cards to the May meeting that were then taken to a local charity to help moms in need, to thank them for choosing life.

New officers, from left: Kelly, Megan, Jenny, Miranda and Christina.

In June, the Juniors invited their families and fathers and those filling in for fathers, to a family picnic. The next meeting for the Junior Catholic Daughters will be on Aug. 20 from 10 to 11 a.m. in the cafeteria at Mary Our Queen. Any Catholic girl between 11 and 18 years old is invited to come. Any questions, call Mary Joslin 402-880-3836.

It's that time again . . . gather your stuff for the Human Needs Garage Sale

The dates for this year's Human Needs Garage Sale are July 28-30. It's easily one of the biggest garage sales in the region and is the main funding source for Mary Our Queen's human needs program.

Deliveries to the gym can start on July 20. The Bulletin will list hours for deliveries. Pick-up is available, said Mary Parizek, human needs chair. What to bring? Just about anything resaleable. But

no tires, paint, liquids, built-in appliances, air-conditioners, de-humidifiers, TV's (unless flat screen), encyclopedias, water beds, shower doors, damaged furniture, entertainment centers or hide-a-beds.

The proceeds help the needy in MOQ Parish and around the broader community.

Katie Murphy . . . (Continued from Page 1)

church. Katie will also oversee development efforts, which includes the fostering of relationships with parishioners, school alumni and other friends of Mary Our Queen, cultivating partners to financially support

Mary Our Queen Church and School in fulfilling its mission. In that capacity, she will become editor of *The Steward*, a post from which Frank Partsch is retiring.

A cake-walk, a meat wheel and inflatable hamster balls.... Oh, my!

This year the Mary Our Queen Fall Festival will take place on Sunday, Sept. 10 from noon till 6 p.m. Being on the street last year was such a hit that the festival will again be held on the west side of the school on 119th Street between Valley Street and Prairie View Drive.

Once again the stage will be taking center stage. We are fortunate to welcome back Dowds Irish Dancers, Tim Sanwick and Mary Our Queen's own Poolside Hustle. We are also bringing back a wide array of inflatables and games. Along with the entertainment, we will also have the traditional favorites to

satisfy even the hungriest of appetites -- burgers, BBQ, brats and homemade tacos, to name a few.

Of course, the best part of the festival is when fellow parishioners, family, friends and neighbors come together to build community and have fun too. The festival would not be possible without you! There is plenty of time to help out a bit as well as still have some fun. In fact, in many ways, helping out is just as much fun!

Watch the bulletin, the Narthex, parish Website and MOQ Fall Festival Facebook page for more details to come and volunteer opportunities.

New school roof highlights Building & Maintenance agenda

The Building and Maintenance Committee is working on quite a few projects this summer. Our largest project is replacing the roof on the school and gym. Work is in progress and scheduled for completion by Aug. 1. Total project cost will be approximately \$222,000.

The east outside exit door and door frame from the cafeteria are being replaced, as well as the outside door on the northwest side of the Parish Center. These doors were badly deteriorated.

The parking lot winter damage is being re-

paired, and then it will be sealed and new parking stripes will be painted on it.

The existing ceiling can lights in the Trinity Rooms and the Family Room are being replaced with new dimmable LED lights. The existing compact fluorescent lights have been an ongoing maintenance problem and are currently not functional.

Repair work needs to be done along the exterior steps on the north side of the parish center where water has washed out the dirt and sod. The Men's Club (coordinated by Bobby McCall) will provide the labor for the repair work. (Thank you, Men's Club.)

Coordination is being provided for the remodeling required to support the move of the pre-school children from the house across the street into the school building. Multiple contractors are being used. Men's Club will help with the painting.

Assistance is being provided to remodel the Upper Room for use as a coffee/social room after weekend Masses. Coordination of tree trimming and treatment of ash trees to prevent emerald ash borer damage was undertaken.

Athletic Committee announcements . . .

The 5th annual Mustang Masters 4 person golf scramble benefiting the athletic programs at MOQ will be held on July 31 at 1 p.m. at Oak Hills Country Club. The cost is a \$100 per golfer. Lunch, prizes and a steak dinner will be provided.

The Annual Athletic Committee Fall Fun Run will be held on Sept.10. For information visit www.mogsports.com or contact Kevin Capece at (402) 212-9131 or capece23@gmail.com.

The Mary Our Queen pro-life committee recently ordered a new banner presenting our witness to the protection of life. Steve Frederick constructed the poles for display. Pictured are Gene Wessling and Deacon Bob Hamilton.
